6. [ ] substituted on the Clerical Promotion Panel on 19 November. It was noted that some of the individuals recommended had not received any of the training courses offered in OTR. The point was made to the panel and it was suggested that where applicable, training be recommended.

7. The films shown during the last running of the Operations Support were projected in such a manner that the students had difficulty in hearing and understanding the sound. [ ] checked with the Film Section and learned that the projector had been repaired several times and was in such poor condition that it was impossible to make any further adjustments.
